Fireworks at dusk!!
From the General Manager...

Hello Lookout Pointers!

Summer is here and we are in full swing, I can’t believe that I am saying this…but let’s prey for some rain. At night time of course! The course is looking great, but a little firm and dry in some areas. Please remember all the members that are playing behind you and let’s all make an effort to keep the playing conditions as good as we can. I have heard from a few of you that perhaps there seems to be a few extra unfixed divots, ball marks and unraked bunkers than normal. This is an easy fix, if we can all try to get 3 ball marks per green and ad some sand & seed mix in the divots around your own we will be pristine for the season.

Men’s Night, Ladies Day and the newly rejuvenated “Finally Fridays” couples night are under way and it has been great to see the participation. Please keep yourselves up to date with the Member calendar available on the website. Thanks for your support!

June is a busy month, as we get into the invitational season and start the planning of the Men’s & Ladies Member Guest days. Aldo and his team are committed to making your guest’s experience on the course a day to remember.

Remember to spend twice as much time on and around the putting & chipping greens as you do hitting balls on the range. The importance of the soft grip and hands around the greens is amplified now the speed is up and the ball is rolling out. There are a few short game shots that are required around this place so don’t be shy to come and visit your professional staff if you are in need of some advice for your chip shots and putting.

Don’t forget about your LPCC membership preferred pricing available on all apparel, equipment and special orders. We guarantee the best price around! Make sure you stop in and ask our professional staff about the new and exciting fashion lines, as well as the latest and greatest equipment. Thanks for the support that you have shown us and our suppliers at the various demo days that have been featured so far this year. It is amazing what a new piece of equipment can do for your confidence.

We look forward to seeing you at Lookout Point Country Club.

Good golfing,

Dan Greenwood, PGA

From the Green Room…

It’s been just over 3 weeks since we last aerified the greens; they have all recovered nicely. We have now started our verticutting program to produce quicker and smoother putting surfaces. We have also started our rolling program on the greens and you will notice the smoother greens. We will continue to verticut/roll in order to continue raising the green speeds, as weather and temperature allows.

Another maintenance program soon to start is to add/adjust sand depths in our bunkers including cleaning up of the edges. Broadleaf weed and crabgrass herbicide applications are almost complete for this year. Verticutting of tee’s and fairways should also be starting in the next week or two.

For the members who play later in the evening, I kindly ask you to continue to rake bunkers when finished to allow the early morning players proper playing conditions as our Green staff generally don’t start raking the bunkers until mid to late morning. I’m also noticing many unrepaired ball marks. Please take that little extra time it takes to look for your ball mark and repair accordingly.

It looks like summer is already here after a long cold winter so let’s all get out and play some good golf. Until next month, enjoy the moment now.

100th Anniversary Historical Tribute Committee

We are looking for volunteers for the Club’s 100th Anniversary Committee to help create a commemorative book.

We are also looking for members who would like to share their stories, photographs and memorabilia about Lookout Point to help us create our 100th Anniversary Book that we are producing.

Members interested in joining the committee and/or sharing their knowledge and/or artifacts are invited to contact Chris Malkiewich (cmalki70@gmail.com).

From the Ladies Section...

Despite a sudden drop in temperature and some gray skies, the Triple L got off to a “bubbly” start at the 3rd annual kick-off event on May 19. The four-hole scramble had an interesting twist. JJ announced to the ladies, they had to putt with a left-handed putter; it was a great challenge. The four teams: Tiffany Green Emeralds, Pretty Pink Diamonds, Divine Purple Amethysts, and Blue Heart Sapphires were all tied at the end of the game. In a sudden-death putt-off in the dining room, Daleen Venter, captain of the Blue Heart Sapphires brought victory for her team.

Other winners included Terri Kershaw, closest to the pin on Hole #2; Blue Heart Sapphires closest to the pin after four shots on Hole #3; Karen Tribble, $25 Golf Shop gift certificate for the over 25 participants draw.

A great big thank you goes out to the Golf Shop for the wonderful prizes, as well as to Chef Abbey, the kitchen staff and servers for the delicious meals and great service. It was a wonderful evening and a great start to our Triple L season.

Thank you from the Triple-L Committee.

From The Administrative Office...

Email Member Statements: Sign up for email member statements instead of a printed and mailed copy. Contact the Administration Office to make the switch to paperless! yolanda@lopc.com

Online Member Payments: LPCC is set up with most banks to pay your monthly bill online. Just add Lookout Point as a “payee” similarly to any utility bill payment. Your account number is your full member account number.

Credit Card Payment Plan: The Club is continuing to offer an automatic monthly credit card payment plan. There seems to be some confusion since Membership Dues cannot be paid with a credit card unless you pay a 2.5% processing fee. There is no fee to use your credit card on this plan. Members who are registered on this plan are reminded to contact the Administration Office IF you receive a new card / new expiry date. 905-892-2639 Ext. 221 or Ext. 222.

Member Credit Card on File? – ALL members are asked to contact the Administration Office to provide a credit card for your member file. This credit card will only be used in the following situations:

1) You are set up on the Monthly Credit Card Payment Plan.
2) You typically call in to make a payment on a credit card and by having this on file, will simplify your payment processing.
3) Your account falls into arrears beyond 60 days and will automatically be settled to the credit card on file with a 2.5% processing fee.
From the Golf Shop...

From Food and Beverage...

I hope everyone has found that swing that’s going to carry them through season and reach that all time low. Here are somethings that will be up and coming in the month of June.

Starting Thursday, June 4th “The Bourbon Tour Card” will be available to the membership. With the purchase of this card entitles a Bourbon Tour Member to one sampling of each of our hand selected Bourbons. It is a cost effective way to tour some bourbons that you usually wouldn’t want to take a chance on and hopefully find one that you will love and have to have every time you are at the course. The price of the card is still being determined while we are still awaiting some bourbons.

Wednesday, June 17th will be our second but first cooking class of the season. This month’s theme will be a Raging Cajun. We’ll be making some gumbo, blackened fish with jambalaya and with some research I should find a dessert that is common in the south. Spots are limited so book early.

Come out and play a round of golf and enjoy a Father’s Day BBQ on Sunday, June 21st with hamburgers, sausages and hotdogs on the patio. Pricing is as follows:

**Guests:**
- 9 holes and BBQ $27.99 plus gratuity & HST
- 18 holes and BBQ $47.99 plus gratuity & HST

**Members & Guests:**
- Just BBQ $8.99 plus gratuity and HST

June 26th and 27th will be the end of the month Asian themed buffet. Reservations can be made to Patti @ patti@lopc.com or ext. 237.

The warm weather has finally hit and the course is shaping up nicely. The Food and Beverage team is looking forward to servicing all of you through these next busy couple of months. Like always, my door is always open to any comments or suggestions, preferably with an invite to play some golf.

Keep Eating,

Executive Chef
